EXPENSES

The cost of setting up Stop Eating Dogs Ltd (ie logo, website, literature, banners etc) has been borne by the company director and will not be charged to the company.

The only costs that Stop Eating Dogs have had to pay from donations are the PayPal and debit/credit card commissions. We are currently negotiating to lower these.

Stop Eating Dogs Ltd would like to thank our accountant Alan Sheridan of Sheridan Brooks for registering the company (and covering formation fees) without charge.

NOTE: The eagle-eyed among you will have noticed that our most recent Campaign Hero (at the time of writing) is No 474 which is far higher than the 143 Campaign Heroes officially registered. This is because the "counter" was set up at STEP ONE of the registration process and it seems that some Heroes had a few attempts to sign up while others sadly opted out at the PAYMENT stage. Hopefully this discrepancy will balance out (as a percentage) as the campaign develops.

THANK YOU

In closing for now, a MASSIVE thank you to everyone who has been so supportive of this campaign. We have to help these dogs and cats ... we must never, ever stop trying.

Guy & Kimba x
